big mouth garden is:

- \_ a mouth-shaped earth-work (approx. 10 x 20 m.) that people can walk through and around
- \_ 30 miniature speakers are hidden in the garden
- \_ they transmit ad random 'blablabla' with different voices
- \_ electricity is generated by the plants themselves
- \_ the garden is planted with (ruby) red flowers
- \_ the flowers attract insects and butterflies

what's the buzz  
tell me what's a-happening
